

Illustrated Gothic Horror 2013-2014 Stories

A PRIMER FOR THE GOTHIC HORROR INITIATE!

CREATED BY WHS'S DIGITAL ILLUSTRATION AND GRAPHIC COMMUNICATION CLASSES

Special thanks to Chris Cummings,
Wayne McCarthy, Ronald Paris,
and the Graphic Communications
class of 2013-2014.

For you designers out there, the Heading
and Drop cap font is Embossed Germanica.

The Story title font is Cracked
(cool decorative font!) and the body copy
is one of my favorite
serif fonts; Adobe Caslon Pro
(it's even an open typeface—check out those Glyphs!

Printed, collated, saddle-stitched,
face trimmed, packaged and delivered
by the Graphic Communications class.
